

Y.O.U. Employee STAR of the Month

The Opportunity: Young Audiences had 40 slots for youth to apply to their Art Works after-school job program. This would give a Y.O.U. youth a job 15 hours per week from January until May. Those youth selected also would have first opportunity to be in the summer Young Audiences program.

The Challenge: We found out about this over Y.O.U.'s holiday break. All Career Coaches were notified by email, but who had time to take advantage?

Connie Fletcher: contacted her students over break and on the first day they returned from school she met with 7 students, helped them complete their applications, wrote 7 letters of recommendation and delivered the applications to Y.O.U.'s downtown office. Four of Connie's youth were hired by Young Audiences and are now working.

For this achievement, **Connie Fletcher**, Career Coach JUMP, Lincoln-West, you are ...

Y.O.U.'s STAR of the MONTH!
